Good morning, Mr. Champion – Our discussion with Mr. Bouie was that the meeting would include only Crossett residents as well. When Mr. Bouie provided us with his list of attendees, he stated that he and the residents he represents do not have the environmental knowledge to effectively engage in a discussion of this type without the support of more experienced individuals. -- Tressa

In looking at the attendee list I see that Cheryl Slavant and Barry Sulkin as attendees. I thought we had an understanding from the beginning that this would be Crossett citizens only. We specifically spoke about Cheryl and Wilma not attending.

Hi, Mr. Champion – ADEQ is confirmed to attend the charrette, and we are still working with ADH. Regarding the summit presentation, ADEQ will be represented by Mr. Stuart Spencer (Associate Director of Air Quality, 501-682-0750), and we hope to hear back from ADH soon. Attached is the list of expected attendees for the charrette and my initial thoughts regarding the summit presentation. I was hoping to have a call with you, ADEQ, and ADH regarding the summit presentation, but I believe it's best for you to start coordinating with ADEQ now. Thank you! -- Tressa

Tressa...hope all is well.

Did you receive a commitment from ADEQ and ADH to attend the Charrette? At a minimum, I think it important that we have someone from ADH attend.

Also, per your suggestion, I wanted to reach out to the ADEQ / ADH attendees for the EJ summit to discuss our presentations and get coordinated. Do you have their names and contact information?

Thanks
